ARTISTS IN CONVERSATION

A work of art is only as great as the ideas and emotions it provokes, and Melbourne Festival's **Artists In Conversation** is the place for the lively exchanges that follow.

Every Saturday of the festival Artistic Director **Jonathan Holloway** will join artists from the festival program for a discussion about their work and its place in the world.

The conversations will be led by keen cultural observers from the editorial staff of *The Saturday Paper* and *The Monthly*—including editors Erik Jensen and Nick Feik—who will guide our tour through the flourishing artistic terrain of the 2017 program.
